**SFBM Symposium 2011 in Tällberg - 18-21 September 2011.**

Still an opportunity to register for Tällberg! We have a few places left at the SFBM Symposium 2011 at Åkerblads Hotell, 18-21 September. Visit the [webpage](#) and register as soon as possible! There are also some seats in the bus going from Stockholm and Arlanda to Tällberg available. Book a seat for you [here](#).

**Annual General Meeting for SFBM - Årsmöte för SFBM - Tuesday 20 September 2011 at 18:00 in Tällberg**

All members of SFBM are welcome to join the general meeting, taking place during the SFBM Symposium at Åkerblads Hotell in Tällberg. At the general meeting, a new board and president will be elected for SFBM. We will also discuss the merger of the Swedish Biophysical Society with SFBM, and the change of name for the new organisation.

Suggestions of names to the new board can be made to Per Elias, [per.elias\[a\]medkem.gu.se](mailto:per.elias[a]medkem.gu.se)

Suggestions for new statutes from the current board can be found [here](#).

**40 years of structural studies on carbonic anhydrase  
16-18 September 2011, Tällberg, Sweden**

Carbonic anhydrase (CA) is a Zn-containing enzyme that catalyses the reaction of interconversion of carbon dioxide and water to bicarbonate and protons. 40 years after the determination of the first crystallographic structure of CA, this meeting is intended to summarise the research during this period and provide state-of-the-art overview of the field.

The meeting will take place at the charming hotel Åkerblads in Tällberg, located approximately 300 km to the north of Stockholm. Tällberg can easily be reached by train directly from Stockholm and Arlanda airport. The cost for the meeting is around 3000 SEK, approximately €300. To attend this meeting, please contact Anders Liljas, [anders.liljas\[a\]biochemistry.lu.se](mailto:anders.liljas[a]biochemistry.lu.se).

For further information, please visit the conference [webpage](#).
